

reflector

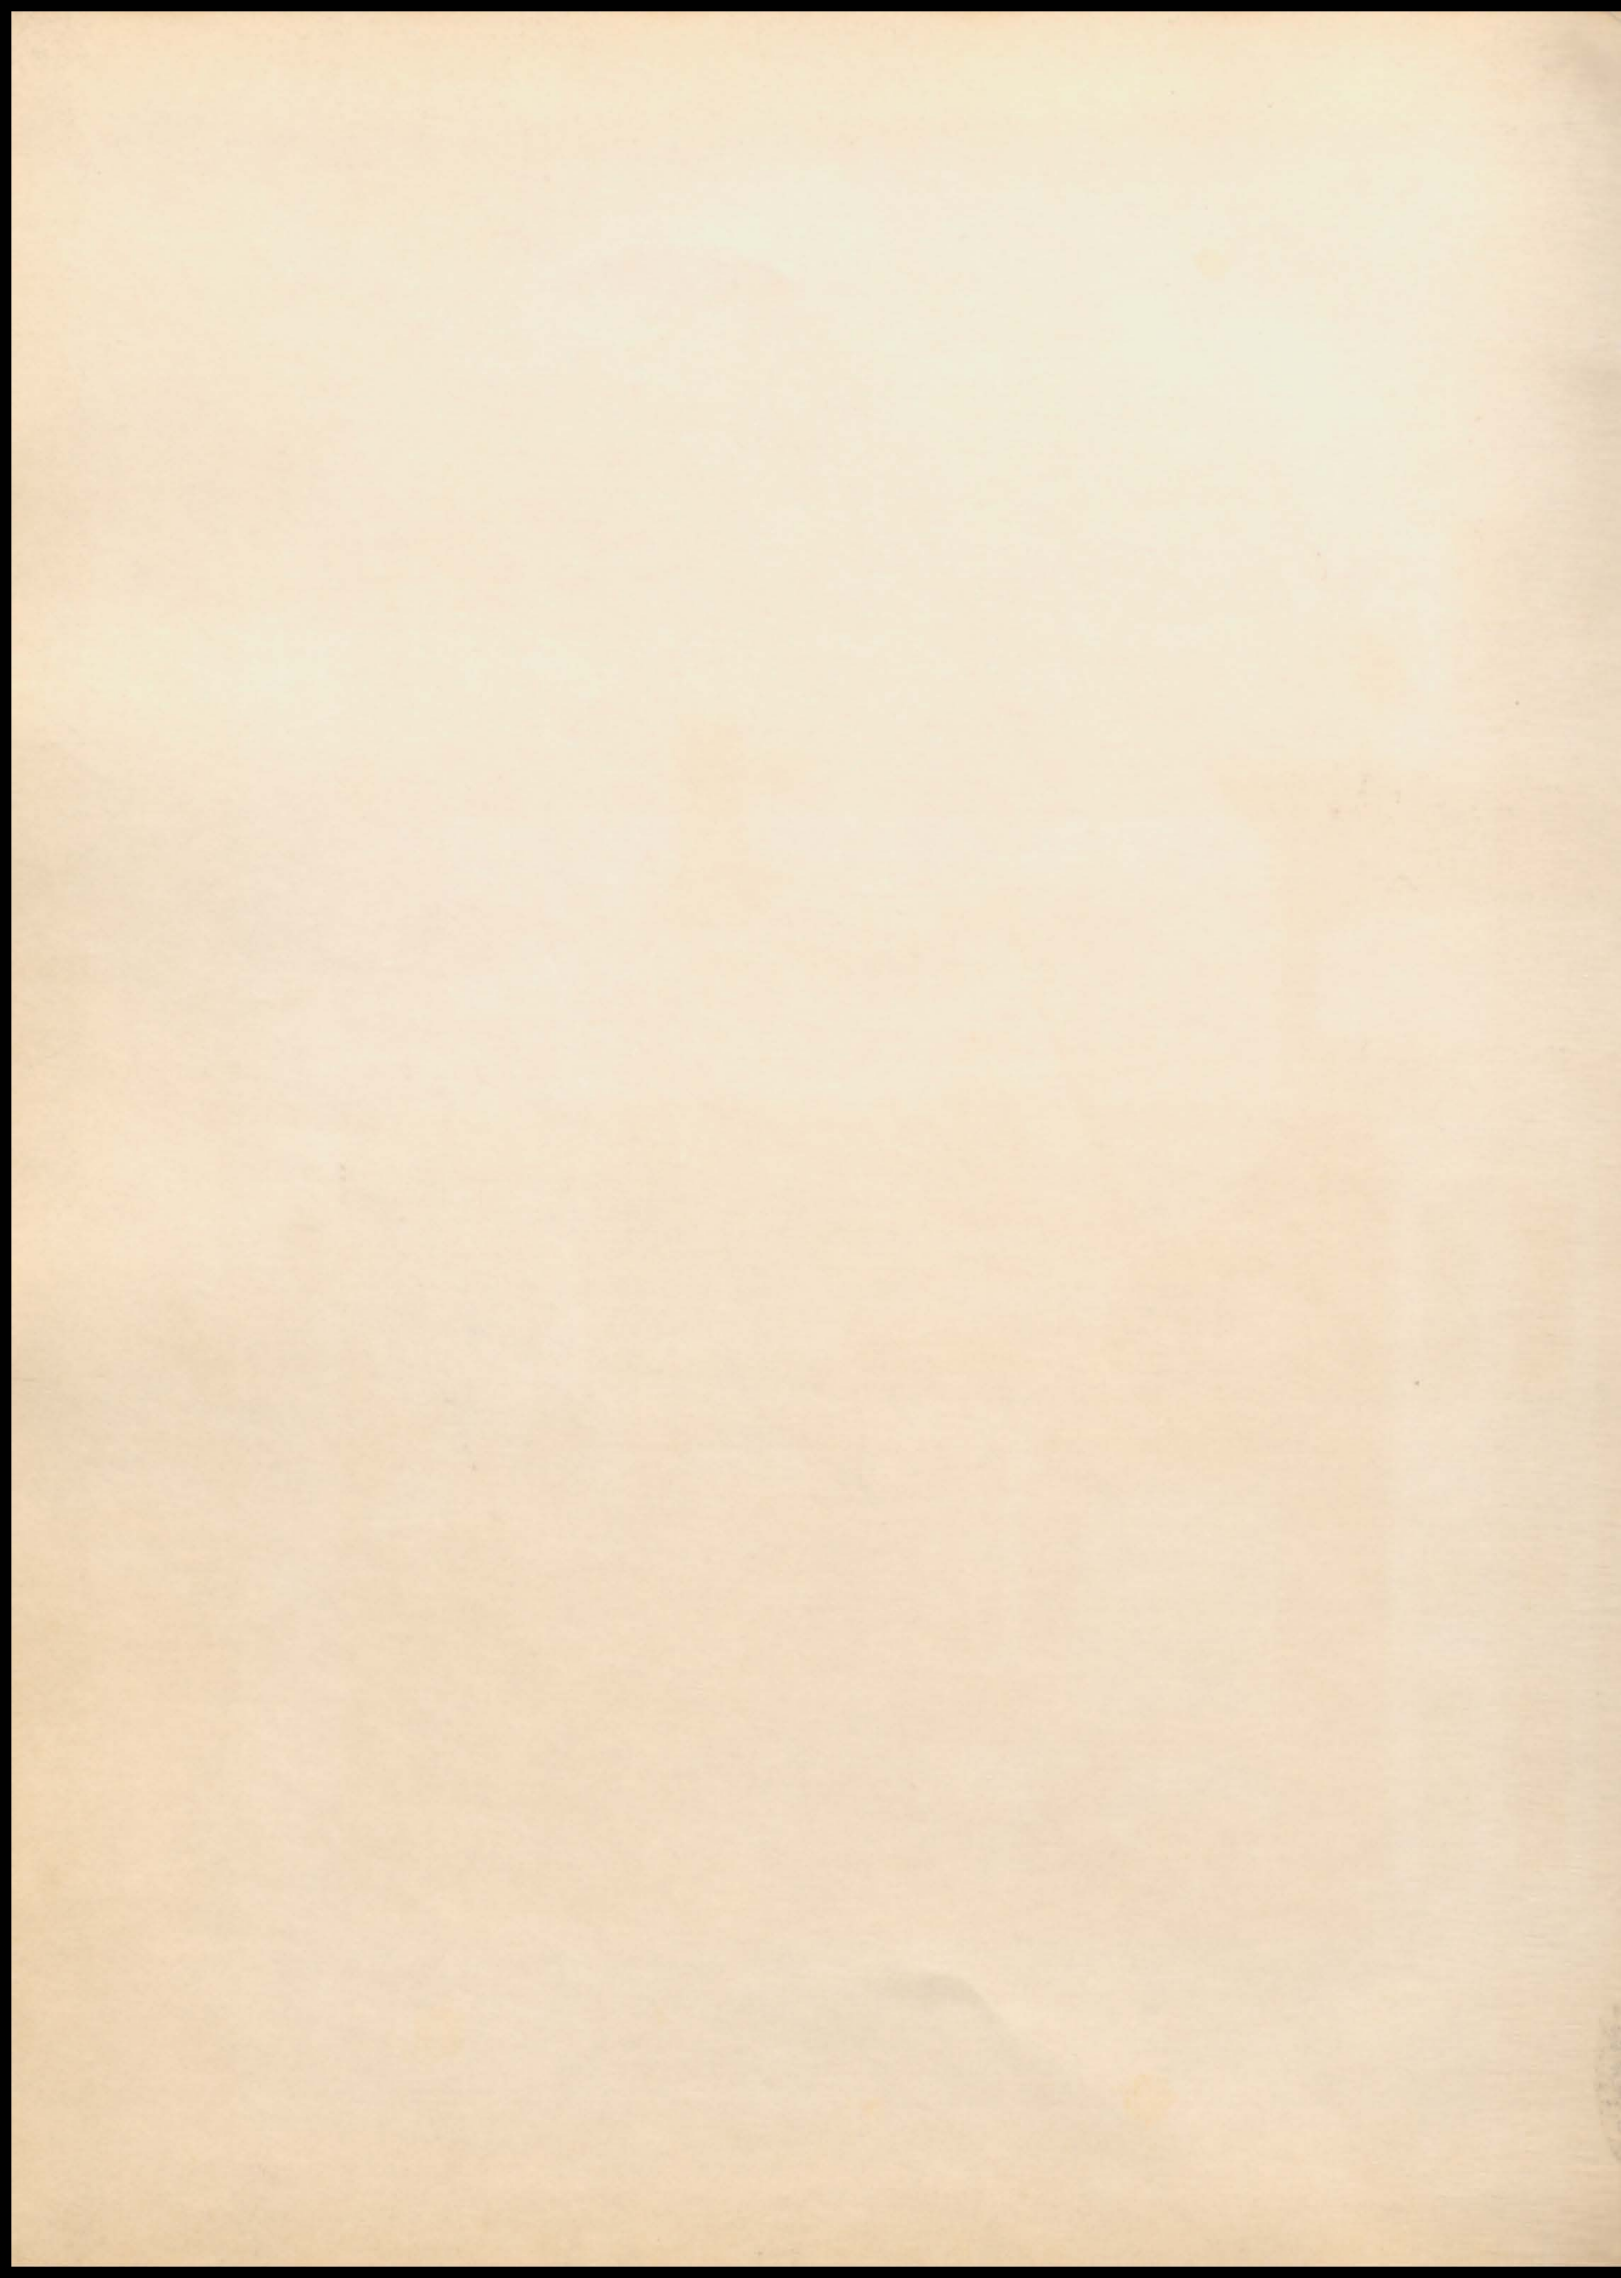

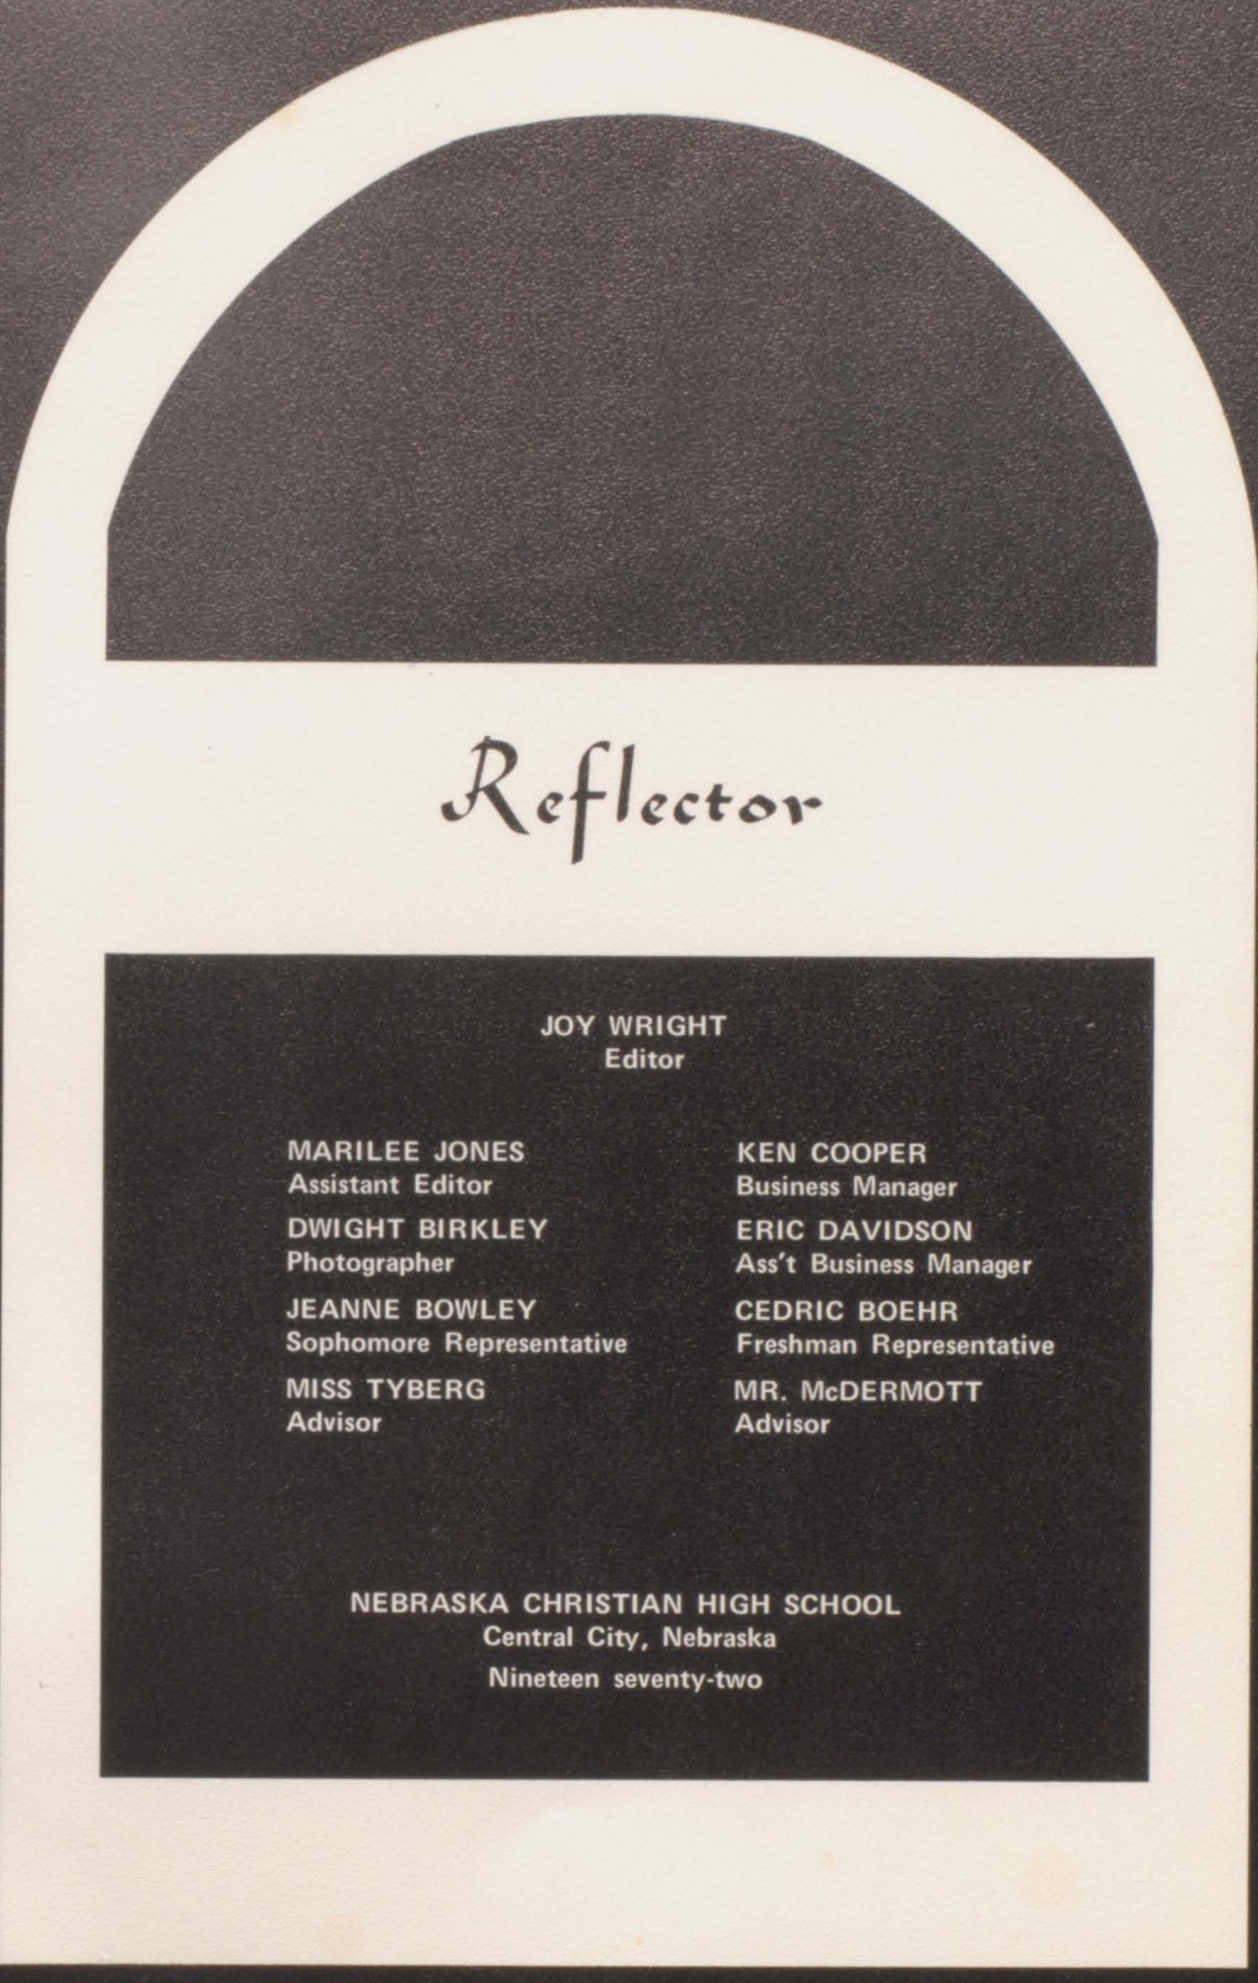

nineteen seventy two

The Administration Building is one of the eight buildings on the campus of Nebraska Christian High School dedicated to the service of God and the education of young people. The solid foundation and the skyward look of this central Nebraska landmark are indicative of the philosophy of N.C.H.S.: the Bible as the foundation of all truth, and the exaltation of Jesus Christ as the foremost goal.

... in all things

*Rushing, rushing every day
getting nowhere, accomplishing
nothing. Personal ego the hub
of one's existence.*

*Where is peace? Where is re-
ality?*

Pre-eminence

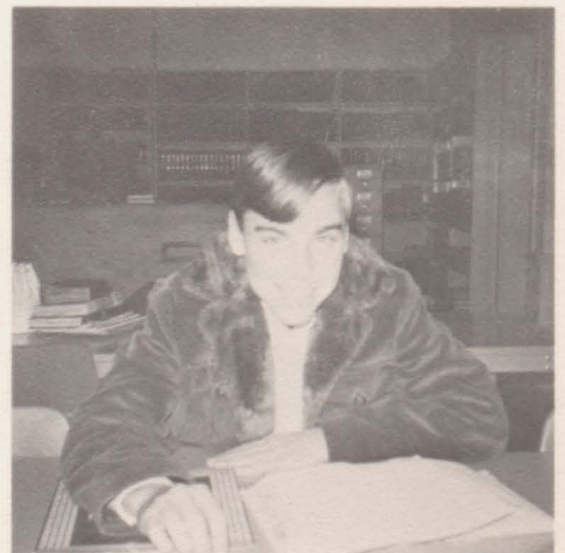

This year at Nebraska Christian High School, we have tasted times of emptiness, frustration, and discouragement, but also times of joy, peace and encouragement.

The greatest times we as a school experienced, were those which came as we gave Christ His rightful place of pre-eminence in our individual personalities, and in each activity of which we were a part. He became a real person to us and gave us wonderful peace.

We hope that as you read and look through this book you will see the many areas where Christ should have the pre-eminence in our lives and yours.

*That in all things, Christ might have
the preeminence. . .*

“For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by, and for him: And he is before all things, and by him all things consist. And he is the head of the body, the church: who is the beginning, the firstborn from the dead; that in all things he might have the preeminence.

Colossians 1: 16-18

Mr. Walter Ediger
Superintendent

In a world that is forgetting Christ, or making of Him just a handy concept, or of His name a religion, it is refreshing to find the evidences of God's purpose of the ages. This purpose, of course, is best seen in man. This purpose includes man's admission that God has foreordained and that He has a plan that includes man as a very vital part of the plan.

Nebraska Christian High School is one of the cogs in God's machinery which brings man to a place of understanding of Himself and His great plan. Students at this school are being exposed continually to God and His revelation of His purpose. All of this can be summed up in the theme of this annual, "That in all things He might have the preeminence."

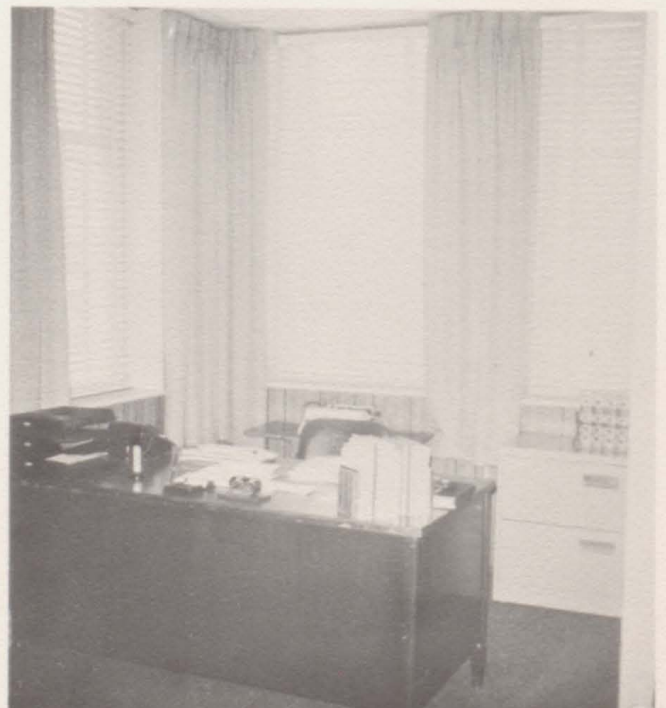

We trust that the people and scenes depicted in this annual be a true representation of God's purpose. We invite you to enjoy reliving with us a year at N. C.

—Walter O. Ediger

Administration

On the line!

Getting a view of Mr. Ediger's new office.

Being a part of the administration has its ups and downs, just the same as being a part of anything else. But we often forget how much they really help us out. Accurate academic and financial records are kept of every student, and if someone ever wants to know what is next on the schedule, he needs only to go to the office counter. Certainly chaos would reign without people to handle the problems that come up.

We thank God that these people have been used in different ways to influence our lives. We know everything is for a purpose in order that Christ might have preeminence in all parts of our life.

Class of '72

Our class of twenty-three seniors entered the administration building on August 24, 1971, for our last year of high school. We were all anxious for the completion of our last year.

As the weeks went by, we became involved in many different areas of school life such as football, volleyball, cheerleading, and last but certainly not least, socializing.

A short time later two senior boys ran for student body president, and many of us participated wholeheartedly, campaigning for the man of our choice. Ken Cooper won the election and began with prayer for a successful year.

Senior Class officers: T. Hamilton, Student Rep.; R. Ballagh, Secretary; D. Schumacher, Student Rep.; D. Shafer, Chapel Rep.; W. Honeywell, Treasurer; Mr. Johns, Sponsor; Mr. Calnan, Sponsor; D. Oliphant, Business Mgr.; L. Johnson, President; K. Steffen, Vice President.

The House of Yesterday had quite a shaking up when all twenty-three of us came bounding in for a class "outing." We spent the evening at a Grand Island park eating, feeding the ducks, and throwing things into the lake. A hat betrayed the cowboy in the group. Devotions "topped" our day together.

Our senior pictures were returned to us just before Christmas, after many impatient trips to the office.

December 14, an exciting presentation of Charles Dickens, "A Christmas Carol," was given by the speech department featuring several seniors. Such things as "I don't know what to do!" and "touch my robe!" were often heard thereafter in class.

Alumni Day, we renewed old acquaintances, and friendships, and revived a courtship or two. The senior girls were victorious in volleyball, but in basketball the boys didn't have that same luck.

The senior girls proved their volleyball ability again as they were champions over all underclassmen at the dorm parties. Our class has never lost a girls' volleyball game in the history of the dorm parties.

Second semester, new students joined our class and filled the vacancies left by those who had departed.

During the course of the year we voted in two presidents and three vice presidents, but surprisingly enough kept all the other officers the same.

Spring brought a fresh look at old things taken for granted and sometimes ignored. A new outlook on life also began to form. Soon we would be out on our own making a go at life—a life which by no means would be easy, but with Christ in the center, we knew that all things were possible.

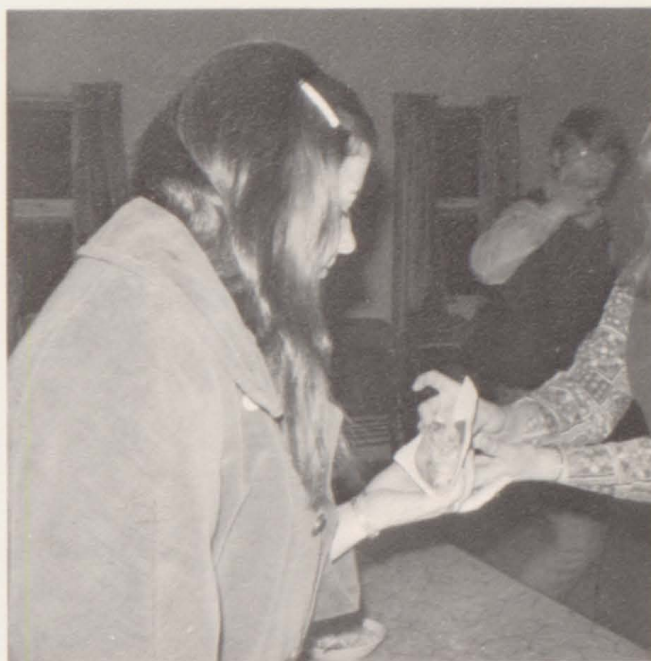

Now, for me, . . .

Presidential Campaign

Leadership is a quality that God gives to a special group of people. Only a small proportion have the ability, stamina, and integrity to be a leader. Can you imagine the state of affairs that our country would be in if all its citizens tried to be leaders and no one wanted to follow? Here at N. C., we students unite under the president of the student body who, together with the students representatives, provides the leadership for all student projects.

Chapel Committee

Rev. Gwin spoke for the chapels during Spiritual Emphasis Week.

Several times a month the enthusiastic members of the Chapel Planning Committee met in the conference room. Their purpose has been to seek the Lord's guidance in planning a wide variety of chapels which would benefit the students of N. C. Special speakers, musical groups, films, and discussion topics were planned to encourage the students in their Christian lives. This was a rich experience for all involved.

Football

Another Eagles' football team
Has played its best this year;
The record wasn't all that great,
And doesn't bring much cheer,

But N.C. students still are proud
And we will always reign.
Not most important is the win—
It's how we play the game.

And this is where they do their best
From start to final gun;
They play just great until the end,
With us they're number one.

And then there is the Junior High
Which had a perfect season;
They didn't lose one game at all—
They used sound plays and reason.

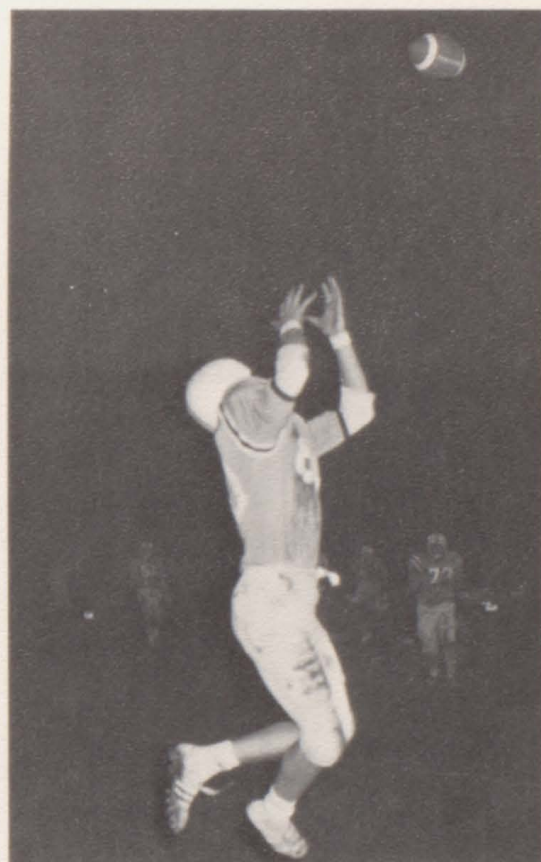

And now we all must give salute,
Our loyalty they see;
For they are our own football team—
The Eagles of N.C.

Senior High

- Practice: Long, tiring and hot. But one sees the necessity of it the day after the game.
- Spirit: Sometimes it gets pretty low, but after prayer things are much better.
- The Game: Exciting and challenging, making us want to do better in the future.
- Our hopes: Trying to do our best, but wishing next year's team better luck. One thing you can say for us, "We tried!"

Volleyball

Junior High

"We've only just begun . . ."
The words show the dent we've made
into the skills of volleyball.
But we came close;
and gave our opponents a scare.

Just wait until next year—
We'll show 'em!

L. Johns, B. Wright, C. Rasmussen, S. Anthoney, K. Anderson, R. Ruybalid, A. Mieth, G. Anderson, M. Sawyer, E. Martin, R. Ballagh, Coach: C. Boehr, Ass't. Coach.

Let's go!

The game takes concentration, doesn't it, Coach?

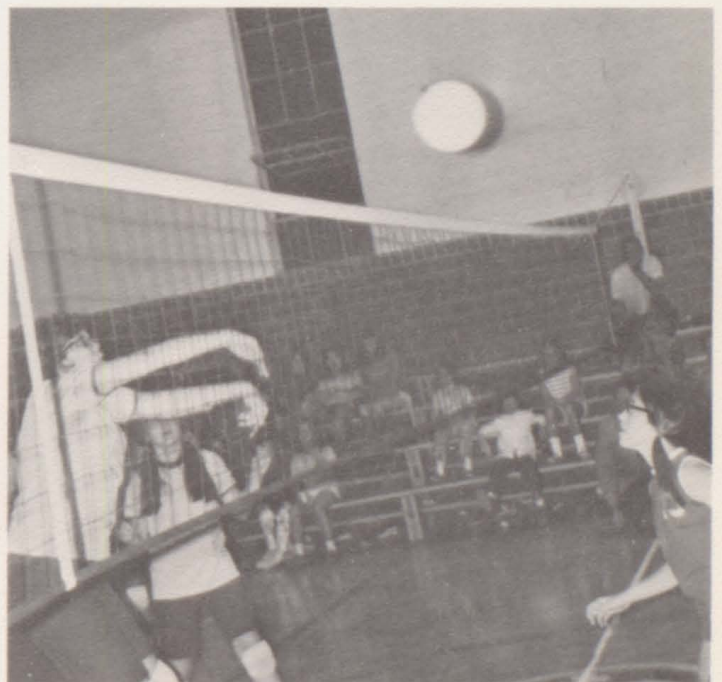

"That's a ball, and you get one chance to put it over. Understand?"

Time out to find out what Coach would have done.

Way to sock it over, Ronda.

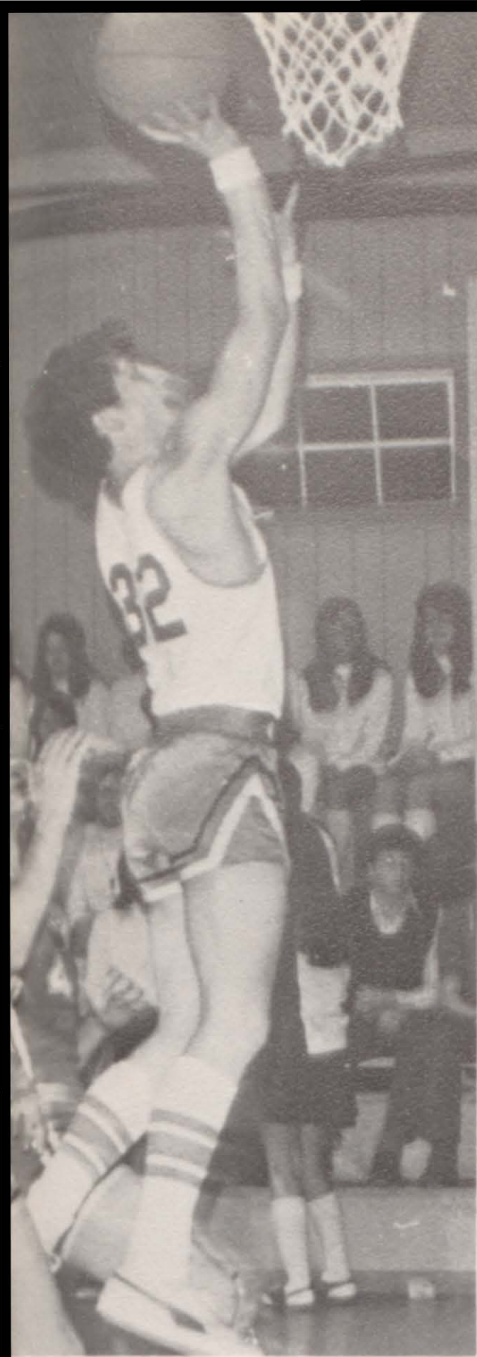

One more over for N.C.!

ROWSE "DOUBLE 9" MOWERS

This is the mowing outfit that is finding favor with farmers and ranchers alike, featuring two I. H. C. mowers with 9-ft. bars mounted on one tractor. Both mowers are the pitmanless balanced head type for smooth, fast operation.

Rear mower is driven by a drive shaft through 2 right angle gear boxes. Each mower bar is raised and lowered individually from hydraulic system of tractor.

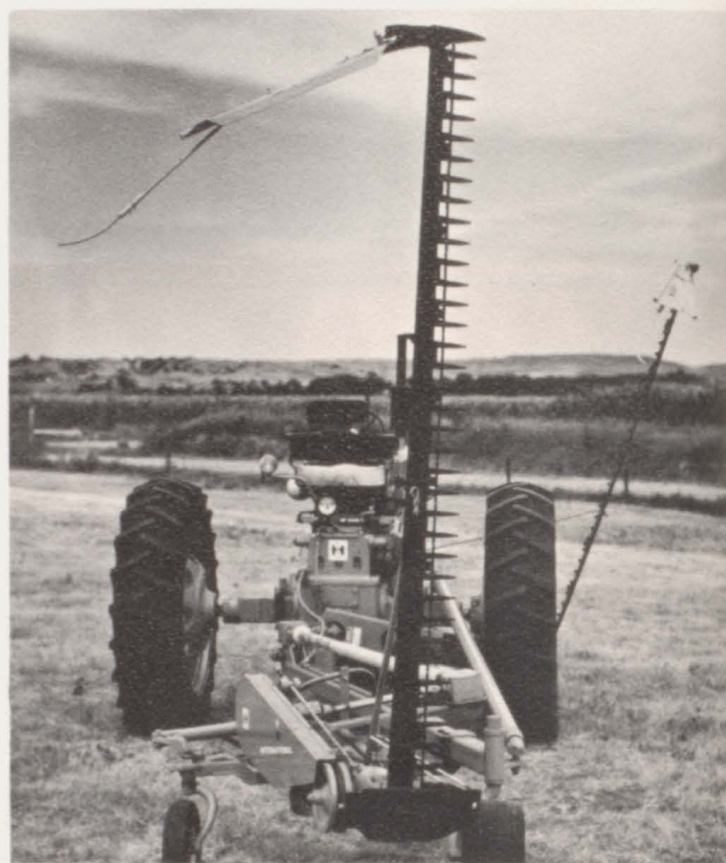

Mower in operating position.

TRANSPORTATION IS NO PROBLEM

It takes only seconds to change this trail mower from mowing position to transport position. To transport the mower, simply release the ball hitch on the front end of the tractor and hook to the ball mounted on the rear axle of the tractor, thus letting the mower trail directly behind the tractor. The two wheels on the trail mower are caster wheels and automatically assume the direction the mower is being pulled.

(This Mowing Outfit can also be furnished with two 7 ft. bars instead of the two 9 ft.)

Ready to be moved anywhere.

Manufactured By

Rowse Hydraulic Rakes Co., Inc.

BURWELL, NEBRASKA 68823

22 Miles North of Burwell, Nebraska on Highway No. 11

Phone (308) 348-2276

"Rowse Hydraulic Rakes"

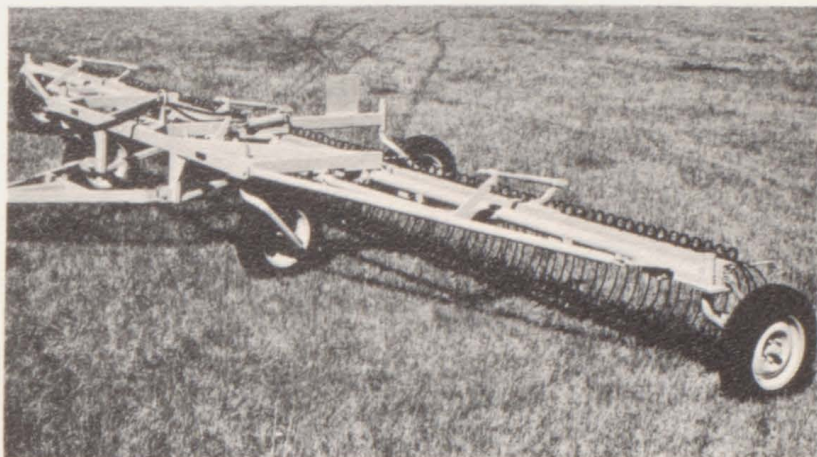

Made in Sizes 16' - 20' - 24' - 25' - 28' - 30' - 36' - 42'

● This rake is very flexible and merely floats over the ground, as the rake is carried by 5 wheels which are so arranged that uneven ground has little effect on the rake. This also protects the rake teeth from breakage.

● Another feature that protects the teeth is springs on the holddown, which absorb much of the shock and strain on the teeth.

● One double-acting hydraulic cylinder easily operates the rake.

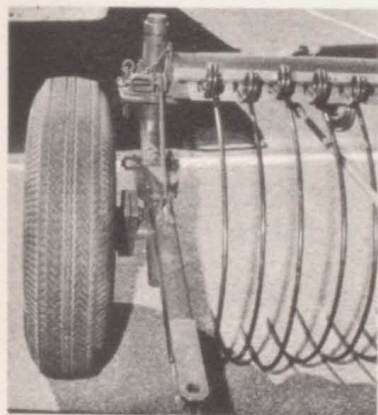

● This is the rake that has made all other rakes obsolete, and has found favor with farmers and ranchers alike.

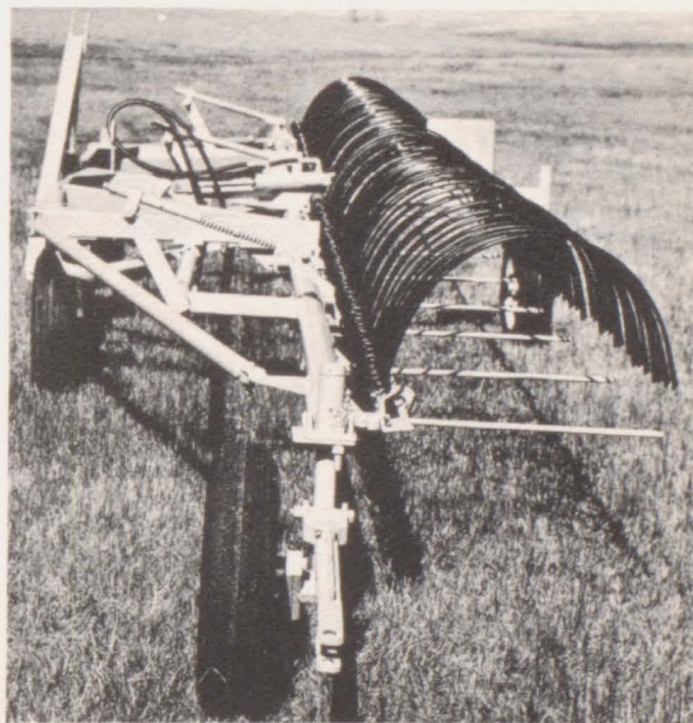

Rake, in operating position.

TRANSPORTATION — NO PROBLEM

It takes only seconds to change this rake from operating position to transport position. To transport the rake, the tractor is disengaged from the main tongue, which is then lifted to an upwardly position. The tractor is then engaged to a short tongue which is assembled to one of the end wheels. This wheel is locked in position by means of a pin when the rake is in operating position. (See picture at left.) The opposite end wheel locks in two positions, one for raking, the other for transportation. The center wheels are caster wheels, and automatically assume the position the rake is being pulled. The rake is only about 8 ft. wide when being transported, and can be pulled by car or pick-up at least 50 miles per hour.

Simple Mechanism changes to transportation position.

Ready to be moved anywhere.

First Place

Are you longing for someone
To guide you each day,
Someone who knows
Every step of the way.
When you're wondering why,
There are clouds in your sky,
God has the answer for you.

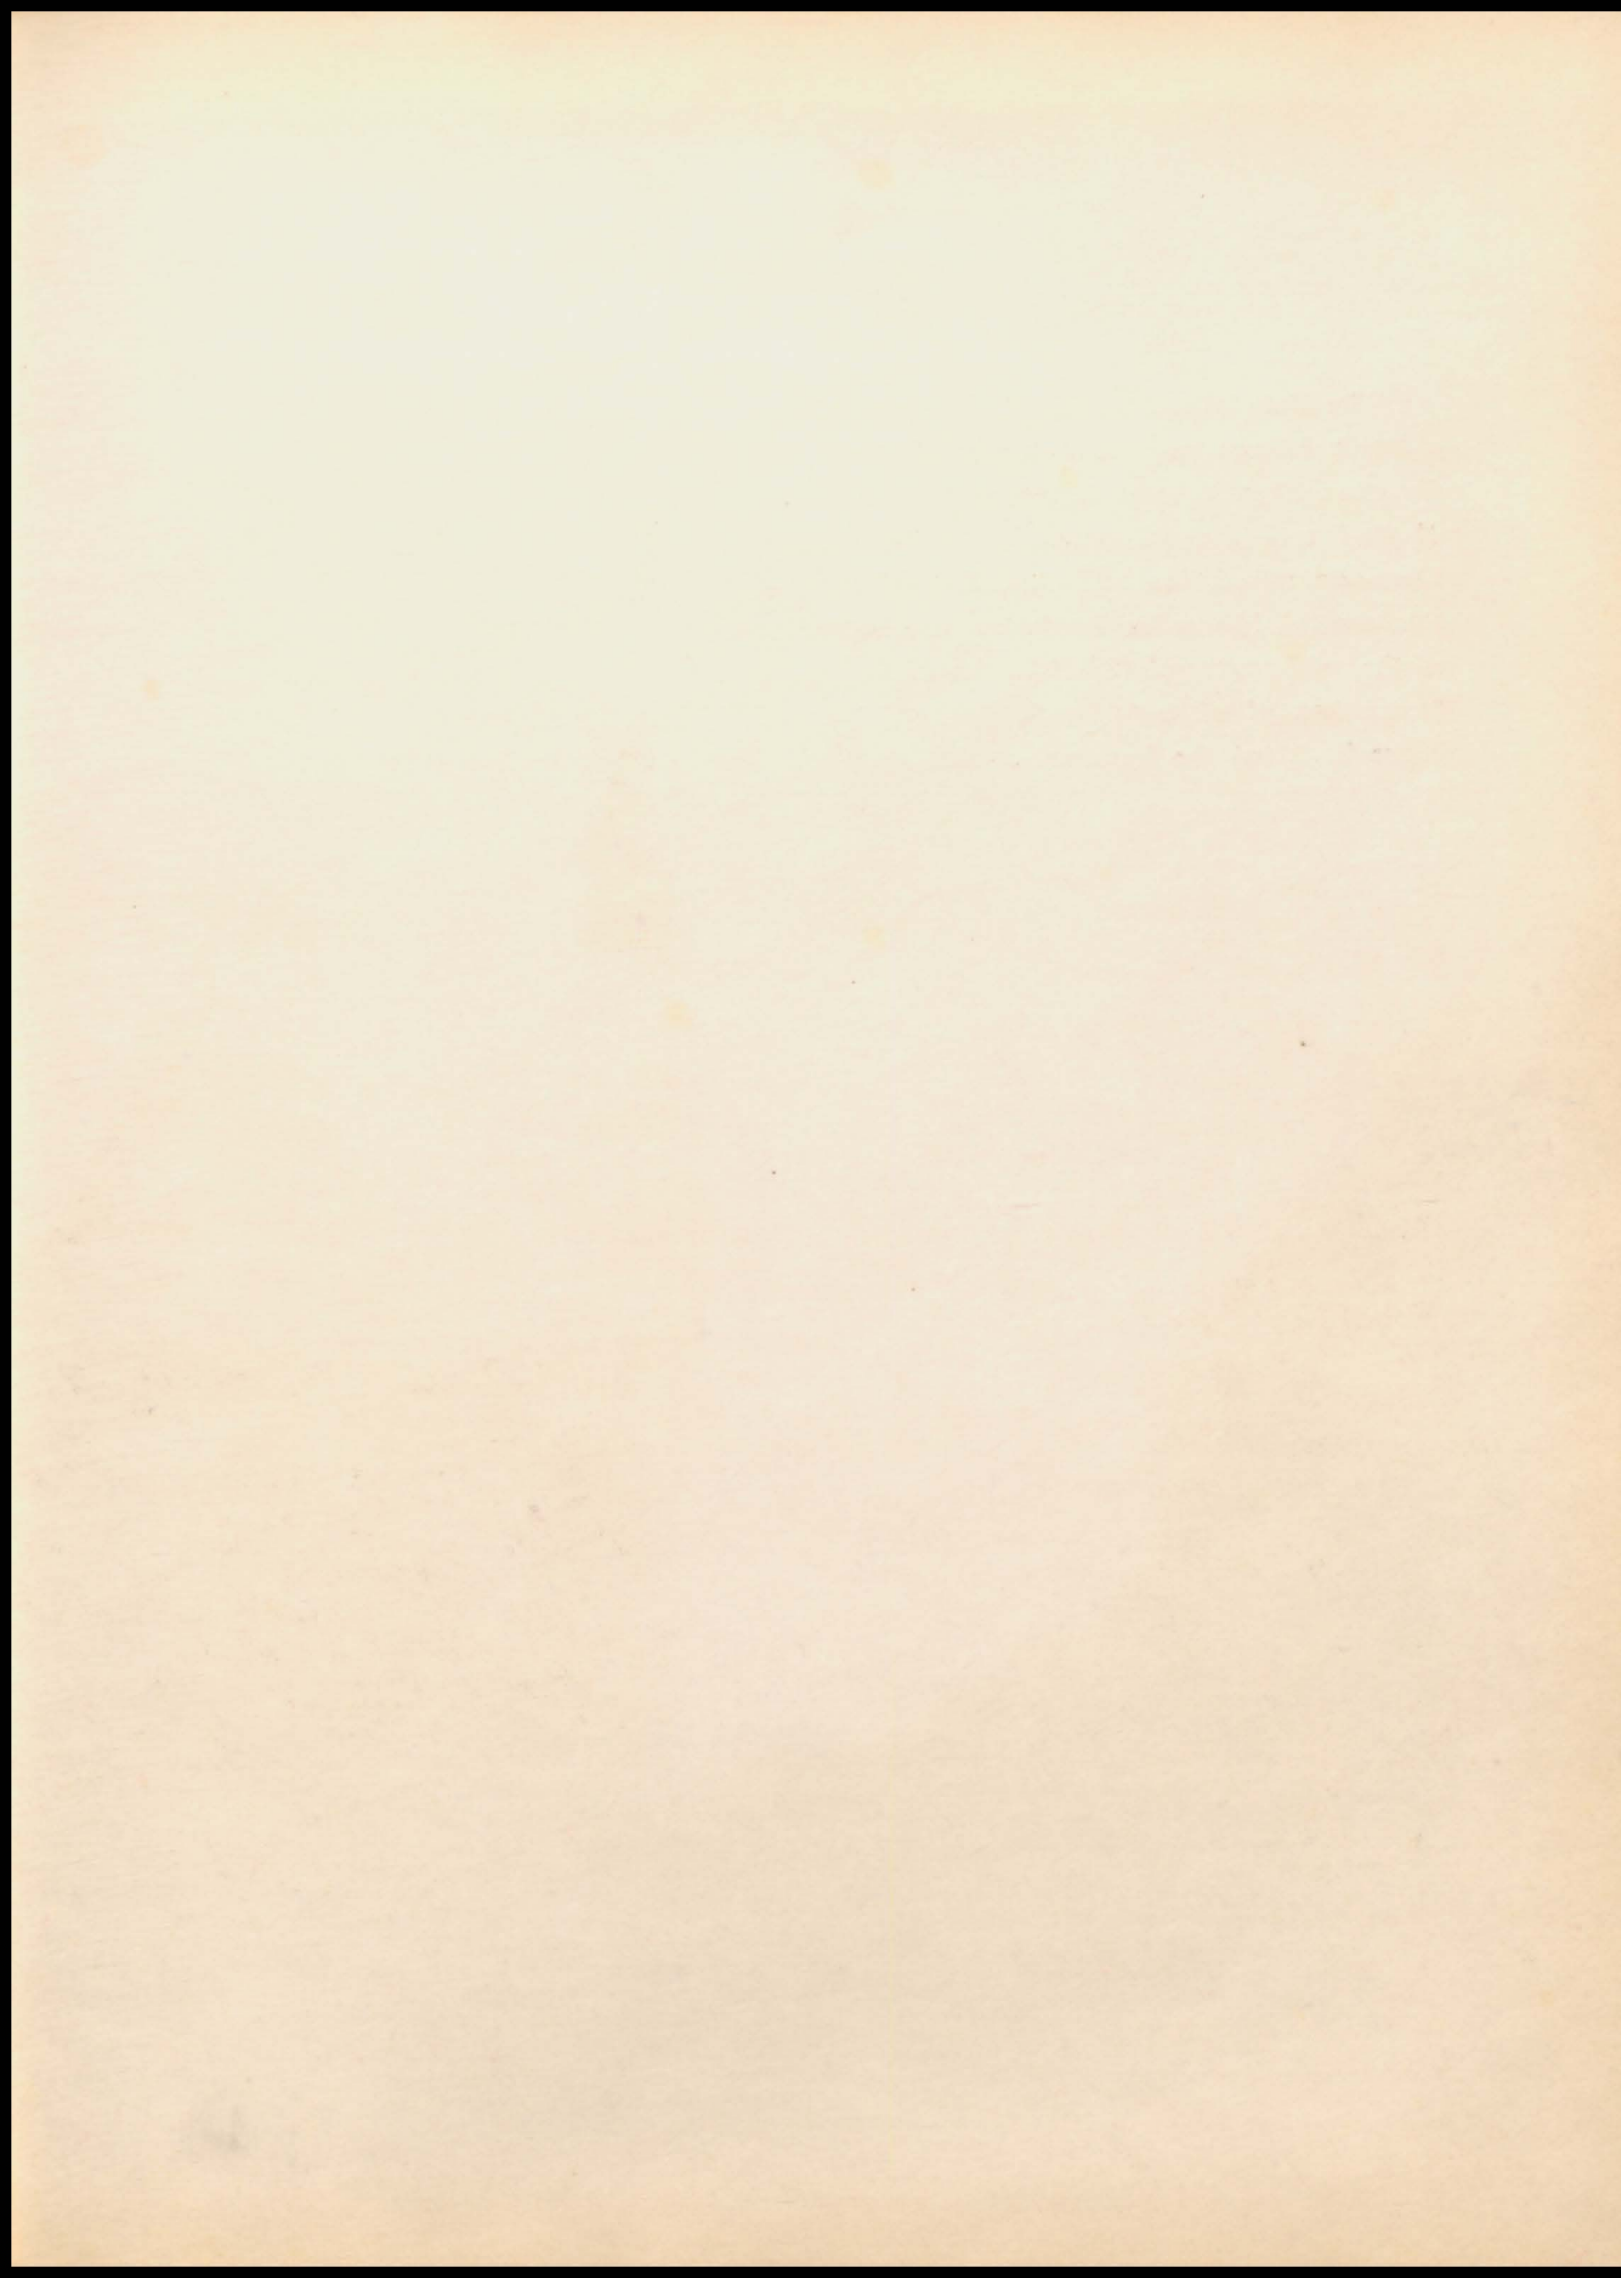

Why don't you give Him
First place in your heart,
Don't turn away,
His love depart.
You'll find happiness
Right from the start,
If you'll give Him,
First place in your heart.

Selected

Autographs.

The End

The Administration Building is one of the eight buildings on the campus of Nebraska Christian High School dedicated to the service of God and the education of young people. The solid foundation and the skyward look of this central Nebraska landmark are indicative of the philosophy of N.C.H.S.: the Bible as the foundation of all truth, and the exaltation of Jesus Christ as the foremost goal.
